

**565 W. Hwy 39 Blackfoot, Idaho 83221 [www.industrialmetal.biz](http://www.industrialmetal.biz)  
 Business Phone – 208-785-1552 Fax – 208-785-1335**

We are a full service custom metal fabrication contractor with 150+ years of combined experience specializing in custom metal fabrication, welding, machining, plasma cutting, water jet cutting, project planning, 2D & 3D CAD Design using Solidworks and AutoCAD, for a nationwide base of industrial, commercial, and residential clients.

Let us conceptualize, design, produce, & install your specialized metal products. Or we can accept your design at any stage of development and then tailor a plan of production based on your specific needs.

We have the ability to perform any of your metal fabrication requirements and strive for the best professionalism and quality workmanship here in the Treasure Valley. Remember, here at Industrial Metal Enterprises you are more than just a customer and "Your Need Is Our Priority".
